

Secure payments.  
Fast processing.  
Reliable service.  
Everything you need.

**The Society of Collision Repair Specialists** have teamed up to help you save money, worry less on payment processing, so you can focus more on your business.

With over 40 years of payment processing experience with POS and on-the-go payments. Express Merchant Processing Solutions (EMPS) — powered by First Data has helped millions of businesses like yours bring fast, secure, effortless payments to their customers.

First Data offers The Society of Collision Repair Specialists members quick, secure, reliable and affordable payment processing solutions, plus:

**First Data will pay a \$200 credit when you open a merchant processing account\***

- Offer customers an easy transaction experience of simply touching a phone to a point-of-sale terminal with the Apple Pay™ mobile payment solution. Customers can make in-store and in-app purchases directly from their iPhone®6 and Apple Watch™ devices.
- Accept more forms of payment — Visa®, MasterCard®, Diners Club®, American Express®, Discover® Network and JCB®, plus debit, gift cards and more
- Help get new customers and build loyalty — The First Data<sup>SM</sup> OfferWise solution enables your customers to redeem e-coupons, and promotional offers they have linked to their credit/debit card via online, social or mobile offer publishers
- Enhanced security — Multiple firewalls, encryption protocols and fraud protection
- One-source solution — Convenience of one invoice, one set of reports and one 24/7 customer service contact
- Easily access and manage key data — Business Track® reporting available in a consolidated, user-friendly web tool
