Dear Mr. Schulenburg,

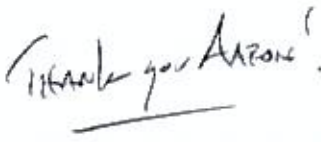

On behalf of the staff, board and industry members served by the Collision Repair Education Foundation, thank you for your generous in-kind contribution of \$73,500 for the Collision Repair Education Campaign. With your support, the Education Foundation is fueling the future of the collision industry by enriching opportunities for students in collision education.

Your contribution helps the Education Foundation to focus on providing grants and scholarship programs to career and technical schools and colleges and to the students attending these schools. Your gift shows your commitment to the future of the collision industry.

Thank you for supporting our mission to "support philanthropic and collision repair education activities that promote and enhance career opportunities in the industry." For additional information regarding this campaign, please visit us online at [www.CollisionEducationFoundation.org](http://www.CollisionEducationFoundation.org).

Remember that as a valued supporter, I welcome your questions and feedback. You can reach me at 847.463.5244 or [Brandon.Eckenrode@ed-foundation.org](mailto:Brandon.Eckenrode@ed-foundation.org).

Best Wishes,

Brandon Eckenrode  
Director of Development  
Education Foundation

Your gift has been credited at full value to 2012 and is deductible to the extent provided by law. Please retain this letter as your official receipt. No goods or services were received for this contribution.
