Additional Contact Information

Application Address: 127 Public Square, M.C. OH-01-27-0855, Cleveland, OH, 44114

Background

Established about 1969 in OH

Limitations

Giving primarily in areas of company operations in AK, CO, ID, IN, ME, MI, NY, OH, OR, UT, VT, and WA; giving also to national organizations.

No support for organizations outside geographic footprint, athletic teams, fraternal organizations, or discriminatory organizations.

No grants to individuals, or for memberships, lobbying or political activities, or advertising.

Purpose and Activities

The foundation supports programs designed to prepare individuals for thriving futures. Special emphasis is directed toward thriving students through preparation, access, attainment, retention, and graduation; and thriving workforce through graduation, employment, and financial education.

Program Area(s)

The grantmaker has identified the following area(s) of interest:

Community Leadership Grant Program

The foundation awards annual \$500 grants to nonprofit organizations with which employees of KeyBank volunteer.

Matching Gift Program

The foundation provides a one-for-one match for qualifying donations made by employees up to \$2,000 annually.

Thriving Students

The foundation supports programs designed to prepare students for fulfilling careers through access to high quality education and their academic success. Special emphasis is directed toward preparation, including improvement in GPA and standardized test scores; access, including increased number of individuals provided financial resources; attainment,

including post-secondary enrollment and retention rates; and completion, including improved graduation rates.

Thriving Workforce

The foundation supports programs designed to equip adults with the necessary skills, education, and capabilities to meet current and future local employment demands. Special emphasis is directed toward graduation, including improvement in graduation or certification completion rates; employment, including improvement in employment placement and retention rates; and financial education, including increased number of individuals trained.
