Mr. Schulenburg- We received your letter which I have attached asking for information about how our state addresses OEM parts. I am attaching WV Informational Letter No.97 which outlines legislation passed in our state which has been effective since May, 1996 and I believe answers your inquiry. For further clarification you can access Senate Bill 402 which is on our website, [wvinsurance.gov](http://wvinsurance.gov) if you need any additional information about this subject. I am glad we were able to answer your inquiry and if you need anything else please let us know and we will be happy to assist you. Best regards. Allan
