

Advanced Driver Assistance Systems (ADAS) Considerations

FORMULA RETRIEVAL

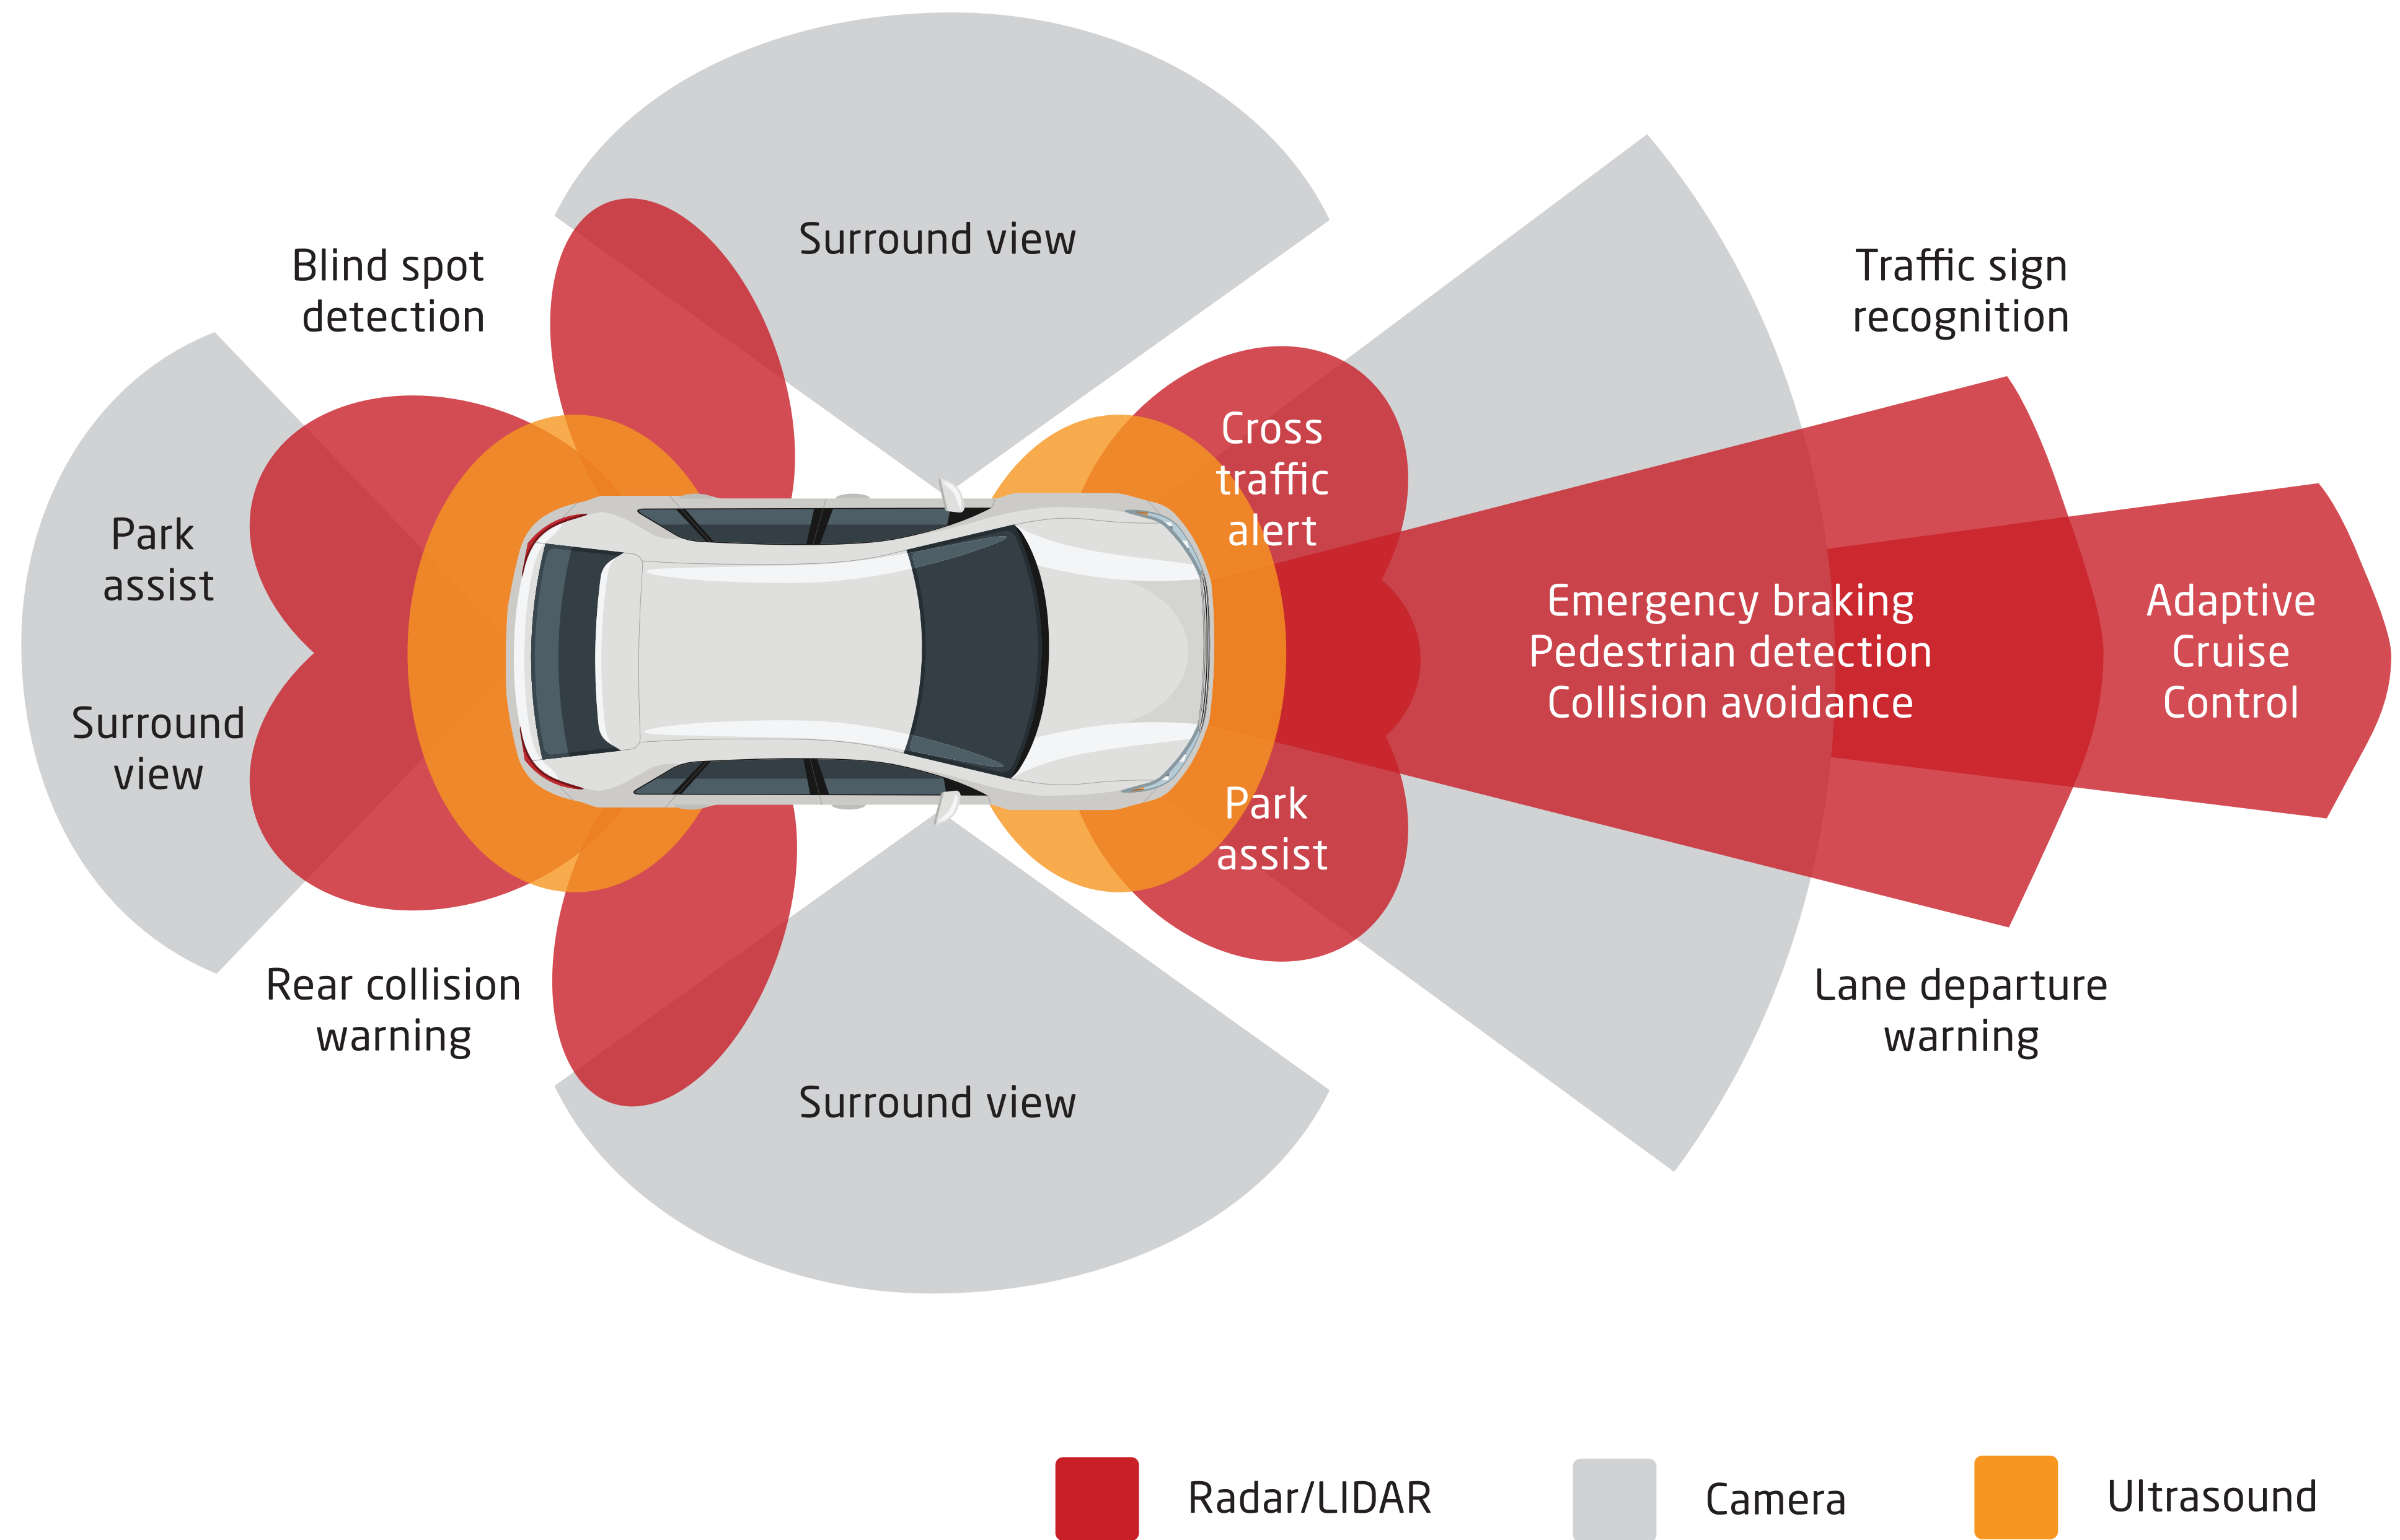

- Use Radar Approved Paint Formula
- Follow special tinting rules
 - Do not increase concentration of aluminum

PREPARATION

- Do not use plastic filler
- Mask inside of bumper for overspray (do not scratch or overspray on inside or outside)

PAINTING

- Keep standard number of coats
- Control film build
- Use Valveshade
- In Radar zones:
 - Do not blend color near sensors
 - Do not paint over existing feather edges

IMPORTANT

- Follow OEM procedures
- Use genuine OEM parts
